

CS410 Weekly Development Report

Team Copper

Performance Period: 4/16 - 4/22

(Note: there should be one report **posted to the project website** at the end of each week...)

1. **Summary of Group Accomplishments:** <designated team member should summarize group accomplishments>
 - Rehearsed for Demo 3
 - Refined the slides, team website, and worked on app features
2. **Individual Contributions/Accomplishments:** (to be filled out by each individual)
 - **Erika:**
 - i. Developed badge logic for the badgeService and 'Friendly' badge
 - ii. changed link from local to the Laravel Forge version for the Add Goals button in Rewards
 - iii. Add a default message when a user has no badges yet
 - iv. reviewed slides and rehearsed with a script for Demo 3
 - **Brian:**
 - i. Helped edit the lab 2 section 3.
 1. Financial dashboard, finance page, login page, debt source table, debt transaction table, financial goal table, budget, what-if, and debt creation
 2. Created trend and insight generation algorithms
 - ii. Revised the what-if form for saving analysis type:
 1. Added checkbox if user wants to analyze a goal or not.
 2. If they analyze a goal, then saving amount, rate, and time in months are pre-defined.
 3. Changing what-if analysis service to reflect new changes
 - **Bryce:**
 - **Darrick:**
 - i. Updated the team website:
 1. Added Poster section
 2. Added User stories section
 3. Added Lab 3 and 4 links
 4. Added weekly reports section
 5. Updated navbar to include the above new sections
 - ii. Updated the tables on the Finance page of the app to utilize dispatch events allowing the table and chatbot components to communicate with each other without requiring full page reloads.
 - iii. Updated the predefined questions and system prompt of the budget bot.
 - **Smit:**
 - **Josh:**
 - **Indi:**
3. **Key Objectives for Coming Week** (top level prototype development objectives)
 -

CS410 Weekly Development Report
